(773) 580-6007

School Address:

DePauw University

Greencastle, IN 46135

Home Address:

2231 N. Nordica Ave.

Chicago, IL 60707

Education

DePauw University, B.A. Expected May, 2017   Major: Computer Science

Minor: Psychology, Economics   Major GPA: 3.44

Computing Experience

Xtern Bootcamp Powered by TechPoint (summer 2016)

Selected in a 10-week immersive programming boot camp, built to close the skills gap between tech(CS/CNIT/CompE) degree and industry demand with the curriculum focusing on the MEAN stack (MongoDB, ExpressJS, AngularJS, NodeJS).

Agile and Scrum Training (summer 2016)

Completed a 15 hour Agile and Scrum training that covered how to use Agile and Scrum in the workplace to increase productivity.

Projects

- **The Night Out**: Currently developing a MEAN stack (MongoDB, Express, Node, and AngularJS) application that will allow authorized users to discover ideas to do with friends, family, and other categories.
- **Mutant Office Hours**: Personally developed an AngularJS web application using a firebase backend that allows authorized users to organize appointments and notify them by text.
- **Primary Responder**: Personally developed an IOS application written in swift 2 that quizzes lifeguards about there knowledge in CPR, first aid, and lifeguard skills.
- **Meganote**: Created an Evernote clone using the MEAN stack that allow authenticated users to save personal notes as part of the Xtern-Bootcamp curriculum.

Languages

Proficient: Java, JavaScript (Ajax, jQuery, Angular)

Experience: Swift, C++, Ruby on Rails, Visual Basic .NET

Additional Experience

Lifeguard and Head Guard, Forest Park Aquatic Center

Managed the facility and supervised a pool staff of more than sixty. (Summer 2015)
